Rev. J. B. Collins, the new Baptist minister at Williston, will also preach at Flemingington and Wacahoota.

The total loss by the fire at Perry on last Saturday night is placed at \$30,000, with only small insurance.

Out of 349 votes cast for mayor of Orlando last Tuesday J. H. Smith got 291. O. R. Carter was elected marshal.

Worm Destroyer.

White's Cream Vermifuge not only kills worms, but removes the mucous and slime in which they build their nests; it brings, and quickly, a healthy condition of the body, where worms cannot exist. Sold by W. M. Johnson.

Crazy Animals Escape from Cages.

Houston, Tex., Nov. 9.—Campbell Bros' circus train was wrecked near Temple, Tex., and nearly all the animals escaped to the woods. Something akin to a panic prevailed in the rural districts. The wreck was caused by the train breaking in two and the two sections running together.

Two Killed by Explosion.

Nashville, Tenn., Nov. 9.—As a result of a premature explosion here today two negroes—James Wade and Andrew Buchanan—were killed while working in a cove. Several other negroes were more or less seriously injured. The dead men were frightened by a bang.

THE EASY OIL.

Scott's Emulsion is "the easy oil"—easy to take, easy in action. Its use insures deliverance from the griping and nauseating sensation peculiar to the raw oil. Nobody who has any regard for their stomach thinks of taking cod liver oil in the old way when Scott's Emulsion is to be had. It is equally certain that no one having a regard for their health will accept a cheap emulsion or alcoholic substitute for Scott's Emulsion. It fulfills every mission of cod liver oil and more.

GEORGIA VETERANS IN SESSION

Confederate Soldiers Meet at Macon, Ga., for Annual Reunion.

Macon, Ga., Nov. 9.—Tuesday's trains brought veterans from all directions to Macon for the opening of the annual reunion here this morning. Camp Martin, of Johnson county, composed of about 75 members, was the first to arrive. The men marched in a body to the city auditorium and there disbanded for the day. Later in the evening they came in large numbers from all principal points in the state, and tonight the full state representation thronged the city.

August, Atlanta and Savannah have large numbers of veterans here tonight. The hotels are filled and many are with their friends in the homes of the city. All the visitors are not veterans, however. The Sons of Veterans of the state are well represented, and will also take part in the business affairs, as well as the pleasures of the reunion.

Georgia Presbyterians in Session.

Griffin, Ga., Nov. 9.—This evening at the Presbyterian synod of Georgia began its annual meeting Tuesday. There were present a large number of delegates, representing churches of that denomination in all parts of the state. Rev. L. G. Henderson, pastor of the Griffin Presbyterian church, is host of the gathering, and has looked after the comfort of the delegates. All are well provided for, and the sessions promise to be most interesting. The opening service was conducted by Rev. D. W. Brannon, of Milledgeville, retiring moderator, and was largely attended.

Pirating Foley's Honey and Tar.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.

Man Is Cut To Death.

Washington, Nov. 9.—A revolution-cutting affray took place near Stillmore. Andrew Bird was cut in several places by George Holaway and his brother in a free-for-all fight. Bird was brought to Stillmore for medical treatment, but died soon thereafter. Holaway, who lives in Stillmore, has been arrested, charged with murder. The origin of the difficulty is not known nor would the accused divulge any of the particulars.

RAWLINGS REFUSED NEW TRIAL

Supreme Court Upheld Decision of the Lower Court in Famous Case.

Atlanta, Nov. 9.—The supreme court has affirmed the sentence given J. G. Rawlings and his sons, Milton, Jesse and Leonard Rawlings, who were convicted of the murder of the Carter children by the Valdosta court.

Under the decision of the supreme court, Rawlings and his two sons, Milton and Jesse, will pay the death penalty for their crime, and Leonard Rawlings will serve out his sentence of life imprisonment.

A new trial has been granted Frank Turner, the negro, who was convicted of complicity in the killing of the two children of Carter, a little boy and girl.

The cases were first tried in the superior court of Valdosta, and old man Rawlings and his three sons, together with the negro were convicted of murder. Rawlings and his two sons, Milton and Jesse, were sentenced to hang, while Leonard Rawlings was sentenced to life imprisonment.

The case was appealed to the supreme court by Attorney John Randolph Cooper, of Macon, who bitterly contested the case.

New Railroad for Alabama.

Swainsboro, Ga., Nov. 9.—A fatal River Valley and Gulf Railroad company has filed notice of its incorporation with the secretary of state. The capital stock at present is \$25,000 and the headquarters will be at Troy, Ala. It is proposed to build a railroad from Opelika, Ala., to Portland, Fla., a distance of about two hundred miles.

Best Liniment on Earth.

Henry D. Baldwin, Superintendent City Waterworks, Shullsburg, Wis., writes: "I have tried many kinds of liniments, but I have never received much benefit until I used Ballard's Snow Liniment for rheumatism and pains. I think it the best liniment on earth." 25c, 50c and \$1. Sold by W. W. Johnson.

How Swallows Build Nests.

Swallows and house martins build by sticking together pellets of prepared road mud. Most of the material is obtained from the drying puddles on the high roads. If not mixed with anything else the tendency of these pellets would be to crumble when dry. But the swallow tribe is supplied with a mucous secretion which enables it to gum the particles together. The swallows' nests, from which the Chinese birds' nest soup is made, are constructed of this mucous matter only. An Indian swallow, which builds little boat shaped nests against the trunks of lofty trees, practically makes them of dried saliva.—Brooklyn Eagle.

Worse Than a Battle.

The Rev. Dr. Joseph Parker of the City temple, London, once had a collection made, to the announcement of which he added with deep pathos, "Widows and orphans will not be expected to contribute." A few Sundays later there was another collection for the same object. "This time," said the preacher, "nobody will be exempt, for no battle ever made so many widows and orphans as the announcement made on the previous Sunday."

Bathing the Eyes.

Bathing the eyes with equal parts of witch hazel and water is very restful to them, or bathe them with warm water in which are dissolved a pinch of powdered borax and two or three drops of spirits of camphor. A soft linen cloth, used for no other purpose, is better than a sponge for bathing the eyes. The eyes should be washed every night to remove any dust that might have gathered on the lids during the day.

No Hat.

He (at the window)—It's very cheerful within, but awfully disagreeable without. She (coolly)—Without what? He (inspired)—Why, without you, darling.

And a few weeks later a furniture installment house was called upon to open a new account.

The Danger.

"Do you think, doctor, that indolence necessarily tends to obesity?" "Um—not necessarily, perhaps, but when people do nothing but take up room they are quite likely to find it difficult—or not to overdo, don't you know?"

Cause For Pity.

We hear much about broken hearts in this world, but the line of broken brains is greater. Almost every day we have to pity the man who carries his mind in a sling.—Toledo Blade.

If the Baby Is Cutting Teeth.

Be sure and use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhea. Teething—don't waste a bottle.
